

Oroville Animal Health Center

2420 Myers St, Oroville CA 95966
(530) 533-7513

We are happy to provide a kitten package that helps keep you and your new kitten safe. By purchasing a total health care package we are able to offer special discounted prices on all services provided in our kitten package.

Kitten Package \$275

This kitten package is for kitten's younger than 12 months and includes:

1. Total health examination
2. Feline Leukemia Test
3. RCP Vaccines (upper respiratory vaccines)
4. Feline Leukemia vaccines
5. Rabies Vaccine (given at 4 months or older)
6. Fecal Flotation
7. Complimentary deworming (tapeworms not included)
8. First month of Flea & Tick Prevention

By signing below I understand, this package must be completed within a year. If it is not completed within a year the package becomes void. This package is nonrefundable and non-transferable. If vaccine dates are overdue and vaccines need to be restarted, you will be responsible for paying for the extra vaccines.
