

Oroville Animal Health Center

2420 Myers St, Oroville CA 95966
(530) 533-7513

We are happy to provide a puppy package that helps keep you and your new puppy safe. By purchasing a total health care package we are able to offer special discounted prices on all services provided in our puppy package.

Puppy Package \$275

This puppy package is for puppy's younger than 12 months and includes:

1. Total health examination
2. DA2LPP vaccinations (up to 3)
3. Bordetella vaccine (for kennel cough)
4. Rabies Vaccine (given at 4 months or older)
5. Fecal Flotation
6. Complimentary deworming (tapeworms not included)
7. First month of Flea & Tick Prevention
8. First month of heartworm prevention

By signing below I understand, this package must be completed within a year. If it is not completed within a year the package becomes void. This package is nonrefundable and non-transferable. If vaccine dates are overdue and vaccines need to be restarted, you will be responsible for paying for the extra vaccines.
